SUMMARY

Results-driven professional combining clinical dental training with a Master of Science in Healthcare Informatics, with strong analytical thinking, attention to detail, and cross-functional communication skills. Adept at translating complex information into clear, actionable insights, managing multiple priorities with strong organizational skills, and collaborating effectively across technical and non-technical teams.

TECHNICAL SKILLS

Data & Programming: Advanced Excel (formulas, lookups, pivot tables, data validation), SQL, Python, Microsoft Office, Google Sheets

BI & Business Systems: Tableau, Power BI, Looker Studio

Soft Skills: Client Service, Stakeholder Communication, Attention to Detail, Organization, Time Management, Process Improvement, Independent & Team-Based Work

PROFESSIONAL EXPERIENCE

Healthcare LLM Evaluator | Outlier AI | Remote Feb 2026 – Present

- Authored high-quality, step-by-step responses to complex public health and medical queries, ensuring alignment with scientific consensus.
- Evaluated model outputs for accuracy, identifying misinformation and logical gaps in clinical trial interpretations.
- Reviewed health policy recommendations to prioritize health equity and uphold ethical standards.

Research Coordinator | University of Illinois Springfield | USA Jan 2025 – Oct 2025

- Oversaw end-to-end data collection, analysis, and database management, ensuring accuracy and integrity of research documentation.
- Partnered with faculty and cross-functional teams to advance ongoing studies, delivering reports and presentations that communicated key research findings.

Clinical Coordinator | Smileworks Dental Clinic | Seattle, WA, USA Sep 2023 – Nov 2024

- Coordinated patient care across local facilities, designing and delivering treatment plans with multidisciplinary teams.
- Managed scheduling, resource planning, and reporting, supporting smooth daily clinic operations.
- Maintained accurate patient records in line with documentation and healthcare compliance standards.

Dentist | Vinayak Dental Clinic | India Sep 2022 – Aug 2023

- Managed digital patient records and clinical documentation using ClareDent EMR, supporting accurate diagnosis, treatment planning, and workflow efficiency.

Dental Intern | Dharmsinh Desai Dental Hospital | India July 2022 – Jan 2023

- Rotated through multiple specialty departments under faculty supervision, conducting patient screening, history-taking, and diagnostic workups.

EDUCATION

M.S. Healthcare Informatics Jan 2025 – May 2026
University of Illinois Springfield, USA (GPA 3.85/4.00)

Coursework: Data Mining, Database Concepts, Systems Analysis & Design, Project Management, Data Communication, Security & Privacy

Bachelor of Dental Surgery (B.D.S) Sep 2018 – May 2023
Dharmsinh Desai University, India

CERTIFICATIONS

- Foundations of Business Intelligence (Google)
- Analytics in Healthcare Management & Administration (Northeastern University)

PROJECTS

Healthcare Predictive Modeling & EDA | Python, R, Statistical Analysis

- Applied predictive modeling and exploratory data analysis to healthcare datasets to surface patterns and inform further research.

Hospital Payments Visualization | Tableau

- Analyzed hospital payment patterns in Tableau to uncover trends in how hospitals charge and receive payments for medical services across various jurisdictions.
